Notice No. 11785-86, *dated 5th March* 1930.

Sealed tenders will be received by the undersigned for the supply of 300 tons of cement required for IV Tunnel Division, Hulikere, Krishnarajasagara Works.

The full quantity will be required to be delivered in two instalments during the months of April and May 1930. Quotations offered should include the cost for free delivery on rails at Byaderhally Railway Station, Mysore Railways.

The cement is required to be of the best quality and should satisfy the test of British Standard Specification. Tenders should specify the brand of cement offered and the manufacturer's name and should be accompanied by copies of certificates of tests carried out at the Government of India Test House at Alipore.

The cement should be supplied in sound double gunnies of 112 lbs. nett weight.

As no special forms have been prescribed in this instance, the tendering firms may quote their prices on their own forms. Tenders which do not contain all the particulars called for above will be liable to be rejected.

Tenders should be sent so as to reach the undersigned not later than 2 P.M., on the 25th March 1930.

By Order,
E. V. GANAPATHI IYER,
Secretary, Stores Purchase Committee.
